SAFETY

1. Treat every gun as if it is loaded.
2. Guns must be carried unloaded with breech open at all times except when on the shooting mark or station ready to shoot.
3. Ensure the gun barrel and action is always clear of obstruction.
4. No gun shall be put to the shoulder or pointed in any way except when the shooter is located;
 - (a) on the shooting mark or station
 - (b) on the pattern plate (with Club Management permission)
 - (c) under the direction of a qualified coach
5. Firing the gun in any position other than orthodox (to the shoulder) is **PROHIBITED**
6. No more than two cartridges shall be loaded at any time in self-loading or magazine guns. All cartridges must be removed from such guns before leaving any shooting mark or station.
7. All cartridges shall contain shot size 6 (Skeet 7) or smaller, **SUBJECT TO LOCAL CLUB SAFETY RULES and SAPOL FIREARMS RANGE CERTIFICATE CONDITIONS.**
8. No shooter will close a gun until on the correct shooting mark or station and it is his/her turn to shoot.
9. Immediately on shooting from any mark or station the gun must be opened while still pointed in the direction of the target area.
10. On the appearance of a red flag or an official at the trap house, all guns must be immediately opened and unloaded.
11. In the event of apparent misfire or gun malfunction the shooter shall keep the gun closed and pointed in the direction of the target area and call the Referee. **WAIT AT LEAST 30 SECONDS BEFORE OPENING.**
12. In DTL, when moving from lane No 5 to lane No 1, guns shall be unloaded with breech open, and not reloaded until on lane No 1.
13. Eye and ear protection is strongly recommended for all disciplines.
14. Gun sleeves and slings are not permitted to be used in any ACTA discipline
15. The wearing of thongs while shooting is **NOT PERMITTED**
16. Persons under the influence of alcohol or drugs **WILL NOT BE PERMITTED TO SHOOT**
17. Deliberately shooting at any fauna is **PROHIBITED**
18. Mobile Phones or like Devices, must **NOT BE AUDIBLE** whilst shooting.
19. Breaches of any safety rule, or committing an unsportsmanlike act, will incur penalties as defined in the ACTA Shooting Rules.

PRESIDENT'S REPORT

Welcome fellow Shooters,

A year has flown past on the blink of an eye! Not quite sure where it's gone but one thing is for sure, we will have to live with and around COVID. Hopefully with the population being vaccinated, we all can return to some sort of normal. Our Carnivals all went well this year but we were extremely lucky once again with lockdowns, in other States, happening on and around all three, finding our DTL Carnival, coming to a stand still on the Friday, with phone calls to SA Health, over an exposure sight in Melbourne, with us having Victorian shooters on the ground, requiring some of them to be Covid tested, "all coming back negative", Thank goodness!. We were also lucky to avoid the overwhelming heat of past years.

The Skeet Carnival seemed to go without a hitch, with a few Inter-state, big gun Competitors, making the trip to SA, who all enjoyed the 4 days of shooting.

Our ISSF Carnival this year was a Shooting Australia endorsed event and we were lucky enough to have Thomas Grice attend, on his way home from the Tokyo Olympics. Fantastic weather for the 3 days and some good shooting, but Covid effecting numbers once again.

On that note, I would like to congratulate all Shooters that made their respective shoulder to shoulder teams, DTL, Skeet, Sporting & ISSF. With the Skeet shooters being the only ones, lucky enough to represent at the National level in Wagga Wagga. Congratulations goes to all that attended especially Wally Clarke, Deb McPherson, Michael Raper, Robert Dower, Lynton Schubert and Alessandro Forza, some picking up placings and others securing positions in the All Australian Teams, congratulations on their outstanding shooting. I feel for the others that would have travelled to the DTL & Sporting Nationals, with both the Carnivals being cancelled for a second year.

I would like to Congratulate our Juniors that were selected in Shooting Australia's Pathway Squads – Doyle Yoannidis and Bridgette McKinnon ISSF Skeet and Molly Bretag ISSF Trap. Let's hope your dreams come true and good luck. Exceptional achievement for Doyle Yoannidis in securing a position in the World Junior ISSF Team for 2021.

A big positive for the year was the segment promoting our sport, on the prime-time TV show "South Aussie with Cosi". It was fantastic to see him promote ours and other ISSF target shooting Sports, in turn introducing over 350 new people through our "Come & Try day" to Shotgun, Rifle, Pistol Clubs across the State. So, a huge thank you to Shooting Australia for their involvement in making this happen.

We were saddened this year with the passing of Peter Quire, Ex State and National Coach, a true Gentleman, that will be sadly missed.

I would like to thank our Secretary and our State Executive for those behind-the-scenes work. Thank you to all of our 2021 Sponsors that have provided ongoing support to us at SACTA through a year of uncertainty and welcome our new Sponsors that have come onboard for the 2022 year of shooting.

Thank you also to out retiring and outgoing executive, Bob Andrews, Rob Umback, Sue Denton, Sam Johnson, Matt Wilson and Peter Minhard. This gives me privilege to now welcome the new executive members, Gerald Hopgood, Luca Forza, Michael Meaney, Rodney Hammat and Dennis Cumerlato.

Lastly, I would like to thank the President and Committee and the International Clay Target Club for the ground preparation throughout all of our Carnivals this year. Great effort "Inter"

Wishing everybody all the best for the remainder of 2021 and into 2022.

Yours in shooting,

John Bretag

STATE COACHING REPORT

Hi Everyone.

I hope this message finds you and your families all well.

During the past 18 months we have all had to endure some pretty harsh conditions with Clubs being 'Open' then 'Closed' then 'Open again. This has unfortunately greatly impacted the Associations ability to plan or forecast for any coaching events or 'Come and Try' days with any real certainty. We do spare a thought for our interstate counterparts that have been in lockdowns for an unimaginable amount of time crippling some of their Clubs and Businesses.

While we've slowly navigated our way through the imposed restrictions, behind the scenes, there has still been a decent amount of work continuing, to see that we have the new Coaching courses all in place for 2022.

It was anticipated that a Club Coach course would have been held by the end of 2021 which would have been the first for almost 2 years, facilitated by David Coleman, (our National Coaching Committee's Chairman). This would have provided the numerous participants that have been waiting for the course to be completed, to have been accredited, along with any lapsed Coaches to be re-accredited. Unfortunately, covid restrictions denied this opportunity once again with imposing travel restrictions. We will hold onto the thought that 2022 will bring opportunity for this to occur.

Straight after the Christmas/New Year break it is the intention to hold some on-field trainings for DTL, Skeet, ISSF etc., and hosted by some well-respected Coaches in their respective fields.

A new 'ACTA Pathway' (National Junior Development Camp) has also been developed for Juniors who are showing potential and are looking to improve their skills to a higher level and move toward 'High Performance' training.

The Russell & Lauryn Mark YouTube videos that were created for the ACTA trainings around the Country, have proved to be a hit and have been very well received. These videos are tools for Coaches to use that will assist them in future trainings that they will be doing. As you read this, the new 'Coach' plastic cards will have already been mailed/distributed and received by most.

Work has started on revisiting the school's program in South Australia. Shooting Australia has commenced discussions with the Education Department on the progress on DECD school participation. SACTA has now been tasked with streamlining and fine-tuning the program to suit the needs of the SA Education Department with a view to reinstating the curriculum with a revised risk assessment plan.

On a final note, I wish everyone good health, and that we return for another chat in another 12 months having done a hell of a lot more. All the absolute best to you all.

Clay Target Shooting Vests

Numerous styles, cool mesh fabric, large cargo pockets,
Large rear empties pocket (some styles).
Vests stocked 2XS-7XL, Right and Left hand, extensive colour range.
Club, State, National and International team vests.
Tailor made, individual custom styles and fitting. Made to order.
Embroidery and badges.

Wet Weather Shooting Jackets

Shower and wind resistant.
Light weight polyester fabric, leather gun mount pad, vented rear yoke.
Large cargo pockets and rear empties pocket.
A great option to wearing a rain jacket under your summer vest.

Gun Socks, Sleeves

Full length socks, excellent for guns stored in safes providing added protection
against knocks, scratches and bumps.
Allows for improved storage quantity.
2 piece sleeves for additional protection to break down case storage.
Fits most high rib & high comb guns. Up to 32" barrels.
Made of 100% knitted acrylic yarn.

Gun Case Covers

Regular and made to order case covers.
Additional transit protection for your valuable gun case.
Made from durable cordura fabric with built in padding and pockets.
Available with shoulder straps and backpack straps upon request.
Various colours, embroidered for a personalized custom look.
Some common sizes in stock.

World Class Guns

Italian Design & Manufacturing

ZOLI

Zoli Competition shotguns have been designed in every facet to be a performance

driven, reliable target crusher. Created to win using the best of technology innovation & old world craftsmanship. Ergonomic between the hands balance, focused pointability and ease from first to second target acquisition make this Italian thoroughbred designed specifically to become one with the shooter.

Trigger mechanism completely hand-detachable and loaded with powerful coil springs.

Locking system consists of a split, Boss-type locking bolt that precisely matches the locking hooks.

Monolithic action, trigger plate and monoblock

Available in Flat Rib, Mid Rib, HR 11 & HR 16
